

Proposal for: Board of Directors, BOMA Greater Minneapolis

Proposed by: Membership Sub-Committee

Topic: Proposal for Associate Membership Policy – As of January 2020

BOMA Greater Minneapolis recognizes the importance of our Associate Members. Current policy limits Associate Membership to 25% of our total membership. This has created over a period of time a significant growth in the Associate wait list.

It is the preference of the Board and staff that our Associate Members be involved by taking advantage of the various opportunities offered through membership. The goal of this policy is to promote consistent engagement by member companies and decrease extended times on the wait list for companies wanting to join the association.

The following will be the new policy to be implemented in January 2020:

The Associate **Principal** Member must attend at least one (1) BOMA Greater Minneapolis event (general meeting/social event) within a 12-month period (Jan 1 – Dec 31). Please note, if the Principal Member does not meet this requirement and still wants to continue their membership with BOMA into the following year, they will be levied an inactive fee of \$1200 in addition to their annual membership dues of \$1600 for the upcoming year.
