

Federal Reserve Bank of Minneapolis

Our Facilities Management department is accepting applications for a paid summer **Facilities Management Intern**. Our Facilities Management mission is to provide a consistently high level of ongoing facility support services to the Federal Reserve Bank and its internal customers. We are looking for a current student interested in getting exposure to and an understanding of FM/Trades career opportunities, and how to prepare for and achieve one. **To apply go to www.minneapolisfed.org.**

Internship Scope:

- To provide an intern with the opportunity to learn about and experience career options in Facilities Management/trade professions at the Federal Reserve Bank.
- Woman/BIPOC candidates strongly encouraged to apply.
- 9 to 12-week program consisting of FM Department overviews and rotations between our Engineering, Maintenance, and Construction Services Teams.
- Introduction to building automation systems.
- Internship focus can be tailored to the individual's educational tract.
- Opportunity for schedule flexibility during core business hours (7:00 am – 5:00 pm).
- Opportunity to coordinate with current educational program for a Capstone Project.

Internship Qualifications:

- Current Vocational, Trade school or 4-year educational program.
- Curriculum emphasis in heating, ventilation, air conditioning (HVAC), refrigeration, plumbing, mechanical, construction management, industrial controls, or related field.
- Mechanical aptitude, basic computer skills, ability to lift 50 lbs. and work on a ladder.

The Minneapolis Fed is committed to developing a diverse workforce and providing an inclusive environment where all employees are respected and valued. We believe that we can foster development opportunities for all and reach our full potential by recognizing the unique experiences and identities of each of our colleagues. From [economists to cash specialists](#), we work together to represent you in our economy.
